

Report Season 2013-14

Thanks to all the parents, staff and players for making this a successful year for the club. We entered the Boccia England league again and managed to finish top in our division and so achieve a place at the National finals. However Boccia England failed to notify us of this until a few days before the final was due to take place in Sheffield so we were unable to attend! Next year team. However that's a great achievement, well done everyone.

The Shooting Stars team (from the early session) won gold in the Autumn term at the Herts School Games and progressed to the East Region final, where they finished 3rd. An amazing effort everyone. And the Herts Youth Games team (Shooting Stars with Mitchell from Amwell View) also received gold medals earlier this month. Both teams' achievements were recognised at the East Herts Award evening on Thursday 17th July, and were honoured by being awarded East Herts team of the Year.

Numbers have stayed constant throughout the year, with the addition of Harry to the Shooting Stars session. Harry has proved a great addition and next year the team will be even stronger. Unfortunately we will miss at least 3 of our number, Daniel, Ifepo and Pippa who are moving on. They are all great characters and it has been a pleasure knowing them. We hope they keep in touch, or even better find some way they can still come to club.

Finally I wish to thank everyone who brings the players to club sessions and supports the club, and all those volunteers who are regular and reliable helpers, particularly Arthur and Chloe. Your help has been very much appreciated. We wish Chloe good luck at University next year, and hope she will visit us when back in the area during Uni breaks.
